

## Estate of George Anderson – 1758

Key:

- (?) Replaces a completely indecipherable word
- ? Immediately after a word means part of word is readable, but the whole word is a guess because it is not legible to be certain
- \* Replaces a letter when the rest of the word is legible. Some parts are faded or smudged; it's easy to make out certain letters, but can't make an educated guess at the word
